Dear Ms Morgan,

I hope you are well. I am writing this letter in support of the Aquaculture Industry and the company Marine Harvest Ireland.

Marine Harvest Ireland is one of the main employers in the Beara area and in turn these employees spend their wages locally supporting the shops and small businesses in our villages and town. These families are sending their children to the local schools, keeping the local GAA clubs and other sports facilities alive.

We are one of those small businesses and we employ local people. It is very important that the Independent Review Group look favourably on this industry for the future of many a lively hood and continuing to keep rural Ireland alive.

Thanking you,

Yours sincerely,

Ciarán O Sullivan
