**Subject:**

**Notice of decision to grant 4 new Aquaculture and Foreshore Licences for Braade Strand-Gweedore Bay, as published in the Donegal Democrat 15th of December 2016.**

Dear Sir

I strongly object to the expansion of the oyster farms near my home-place, Ranamona. I have lived here nearly all my life along with other family and generations of our family before us. I use it often for walking with my dog and children and bring numerous friends to visit here in the summer months. We have always lived in harmony with the existing oyster farms but such a large expansion is totally unacceptable.

These plans will ruin our strand for us and future generations. Please do not let this happen.

Yours sincerely,

Kathleen Cannon
