

Dundalk Cockle Fishery 2024

Fishing for cockles in Dundalk Bay is restricted to permit holders only. Applications for 2024 permits are now being invited for vessels that have already established track record with the Department of Agriculture, Food & the Marine in the Dundalk cockle fishery in the years 2009-2013 or vessels that have acquired the capacity of a vessel with such established track record.

To check eligibility and for further details, please see:
